

“It’s About Time” in the North Wisconsin District

Attend an LCEF 2009 Spring Training Session!

Participants at the 2008 NWI LCEF spring training sessions (all photos this page.)

“It’s About Time!” North Wisconsin (NWI) District LCEF Vice President Dennis Johnson is hosting nine training events this spring (see schedule below.) Johnson encourages all LCEF congregation representatives, contacts, pastors and spouses throughout Northern Wisconsin and Upper Michigan to mark their calendars and attend a session.

The NWI district LCEF theme this year is “It’s About Time.” This theme will expand on last year’s discussions of the five “T’s” of stewardship: time, talent,

treasure, temple and testimony.

Our LCMS church body defines stewardship as the free and joyous activity of the child of God and God’s family, the Church, in managing all of life and life’s resources for God’s purposes. Time is one of the most precious of all of God’s gifts. While we are all given 24 hours in our day, how we choose to *use* our time determines whether it was used wisely in God’s eyes. We’ll explore the stewardship of time in our sessions.

This year six of the nine events will feature Rev. Dwayne Lueck, district stewardship expert. Dwayne has been instrumental in training and implementing Consecrated Stewards/

Consecration Sunday processes for congregations. He will share a vision of good stewardship with participants, focusing primarily on the treasure aspect.

Watch for registration letters that will be mailed to invited parties soon. Contact Sandi at 800-333-2421, x23 if you have questions.

“It’s about time” for all of us to take our God-given time, talent, and treasures and put them to work in His kingdom!

MEETING SCHEDULE:

- Registration/Social (30 minutes)
- Dinner (45 minutes)
- Meeting (60 minutes) %
